### Did You Know?

- If you'd like a one page jPeg or PDF of a page in a gig guide to use as a flyer or post on social media, just request it via email within a week of the guide coming out. **(Note the page number)**. You can even request minor, cosmetic changes!
- I often add a random photo from the archives alongside a gig, but if you have a publicity photo you prefer, send it when you send the gig details. You can even request that photo be used in all your gig promos!
- We know some musicians apply for festivals and are asked for website details – but not everyone has a website. Any musician is welcome to send through text or content for a bio page to be added to the Members Biographies on the Showbiz site <https://www.showbizclub.com/members-biographies> and we can email you a direct link to share with festivals or venues. **For example:**
